REFERENCE PROJECTS

TEQUM CONSULTING ENGINEERS

**We are a company of engineers,
consultants, and technical specialists
offering multidisciplinary professional services**

TEQUM CONSULTING ENGINEERS

Since 2011 Tequm is a member of Polish Green Building Council (PLGBC)
- a non - for - profit organization dedicated to promoting sustainable design, construction and operations in the entire Poland

TEQUM Sp. z o.o. offers a wide range of services in the field of civil engineering and consulting. We perform the full scope of design in all engineering disciplines: **structure**, **HVAC**, **electrical**, **low voltage** etc., for different types of buildings.

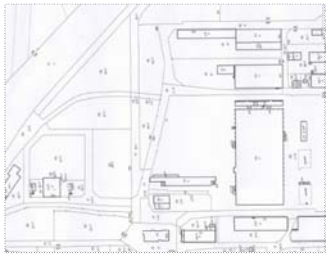
We guarantee optimal and modern design solutions and professional design documentation, delivered on time, which will enable your company a successful realization of the investment.

Quality (**Q** in our logo) is the key factor of our activity.

INDUSTRIAL REFERENCE PROJECTS

2009, Pragma: Manufacturing building with office facilities

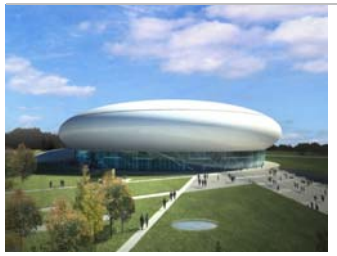
Location:	Kraków, Poland
Size:	3600 m2
Engineering services:	complete engineering design: structures, M&E, infrastructure
Scope:	concept, building permit, execution design
Architects:	IMB Asymetria
Client:	F.H. PRAGMA s.c.
Status:	complete



2014, Bombardier Transportation Polska

Location:	Wrocław, Poland
Size:	17 000 m2
Engineering services:	feasibility study, options of investment and technical consulting
Architects:	APA Architektura
Client:	Bombardier Transportation Polska
Status:	completed

TECHNICAL SURVEY, DUE DILIGENCE - REFERENCE PROJECTS



2009, Tauron Arena Kraków

Location:	Kraków, Poland
Size:	96 800 m2
Engineering services:	complete engineering design
Scope:	execution design verification
Architects:	Perbo Architects
Client:	City of Kraków
Status:	built

2013, Lubicz Office Building, audit, report

Location:	Lubicz St., Kraków
Size:	10 000 m2
Engineering service:	technical audit M&E installations – due diligence
Client:	Colliers International

2012 – Sky Tower – due diligence report

Location:	Wrocław, Poland
Engineering services:	due diligence of MEP and BMS execution design
Scope:	Comparison tender and execution design - audit
Client:	Sky Tower

2011-2012, Technological tower

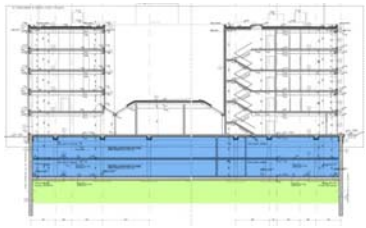
Location:	Tarnów, Poland
Overall dimensions:	diameter 20 m, height 32 m
Engineering services:	structure survey, method of strengthening and major repair
Client:	Zakłady Azotowe in Tarnow

2010, Supporting construction for pipeline

Location:	Tarnów, Poland
Max. span:	24 m
Engineering services:	structure survey, method of strengthening and demage repair
Client:	Zakłady Azotowe in Tarnow

2009, Aircraft Hangar

Location:	Balice, Poland
Size:	3 000 m2
Engineering services:	structure survey, strengthening method
Client:	MPL Balice Airport



2008-2009, Office building

Slap area:	4 400 m2
Engineering services:	structure survey of the foundation slab
Client:	Private

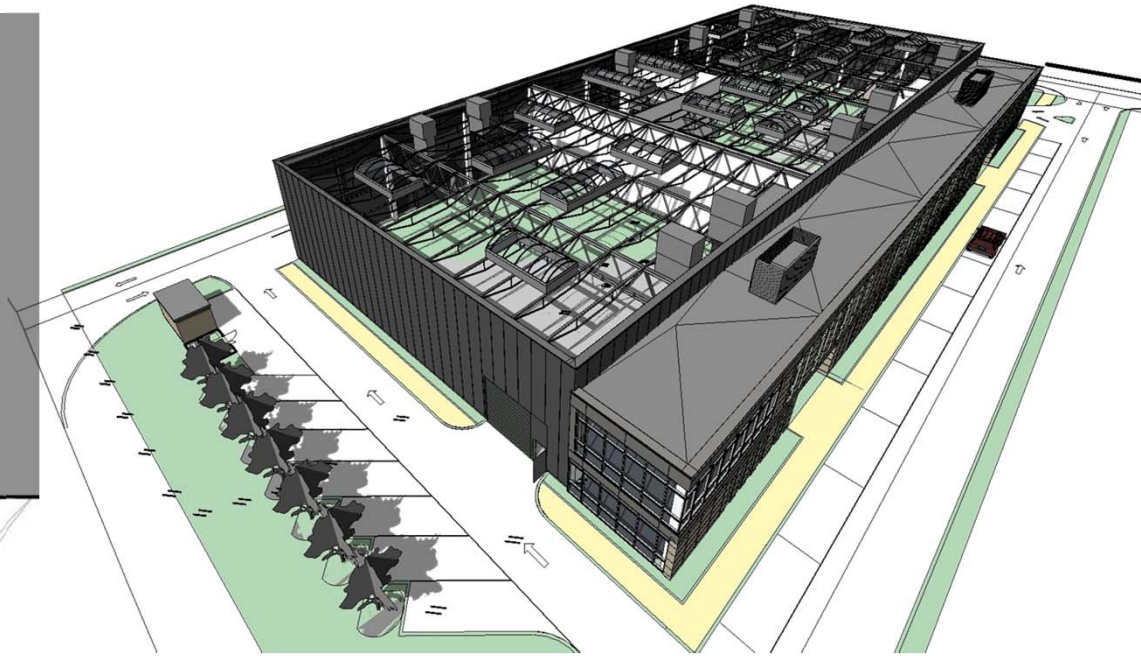
2008, Bridge girder collapse – technical expertise

Engineering services:	structure survey
Client:	PINB Kraków

2011 – 2013 Center of power industry AGH University of science – didactic and laboratory office building

Location:	**Kraków, Poland**
Size:	**15 000 m2**
Engineering services:	**complete engineering design,**
Scope:	**concept, building permit and execution, supervision– public tender**
Architects:	**BRK S.A.**
Client:	**AGH, Kraków**
Status:	**in progress**

INDUSTRIAL REFERENCE PROJECTS

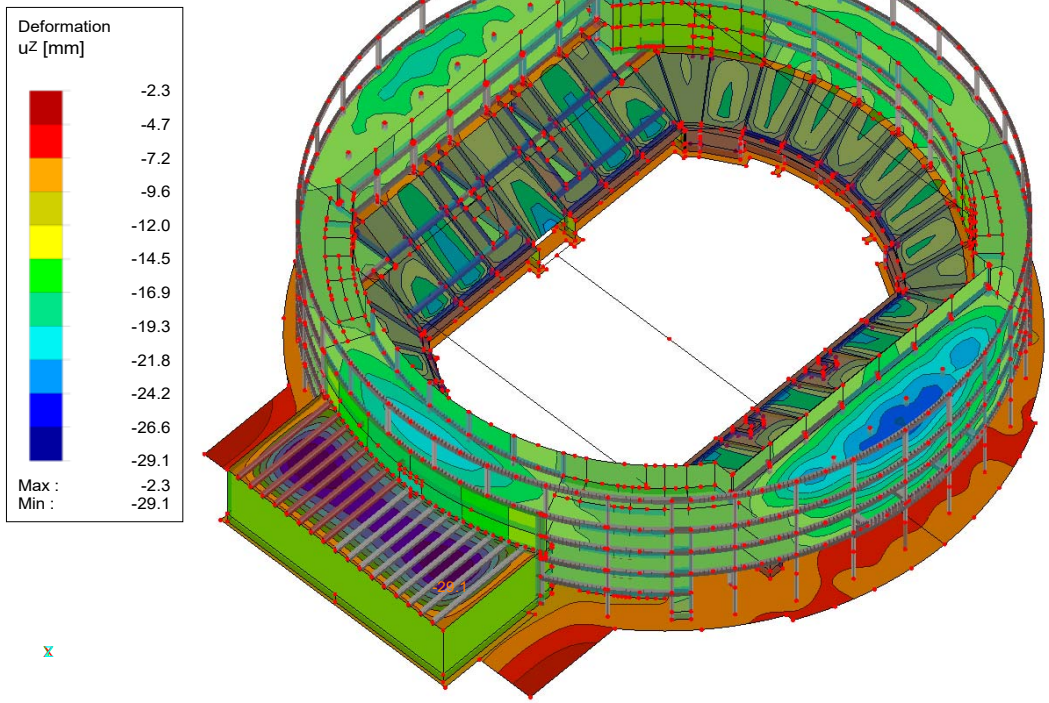


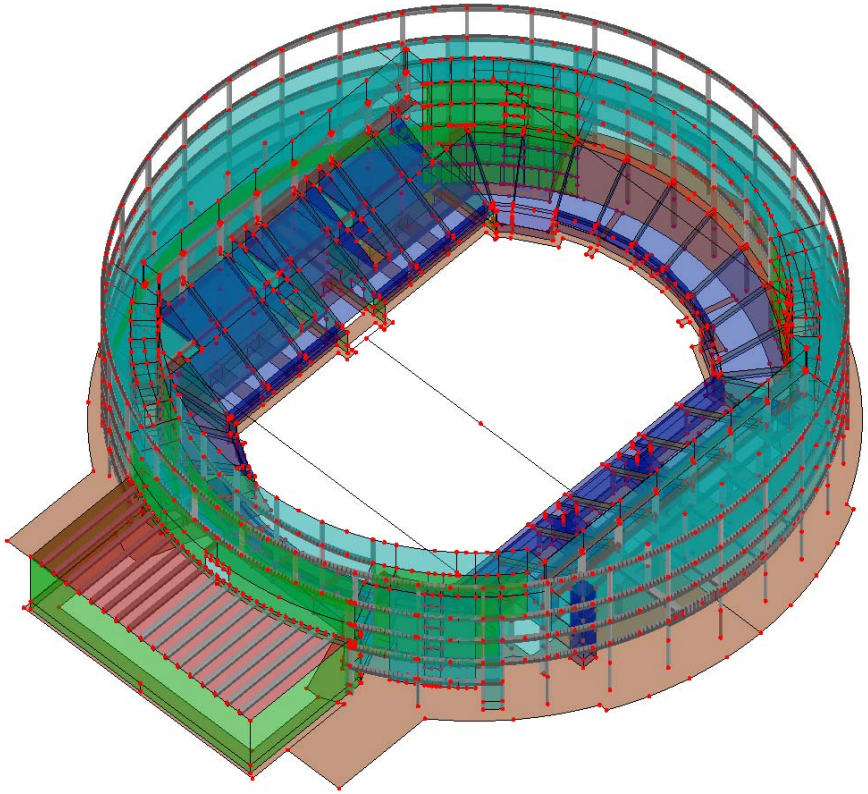
Geometric analytical model

2009 Pragma - Manufacturing building with office facilities

Location:	**Kraków, Poland**
Size:	**3600 m2**
Engineering services:	**complete engineering design: structures, M&E, infrastructure**
Scope:	**concept, building permit, execution design**
Architects:	**IMB Asymetria**
Client:	**F.H. PRAGMA s.c.**
Status:	**complete**

SPORT REFERENCE PROJECTS



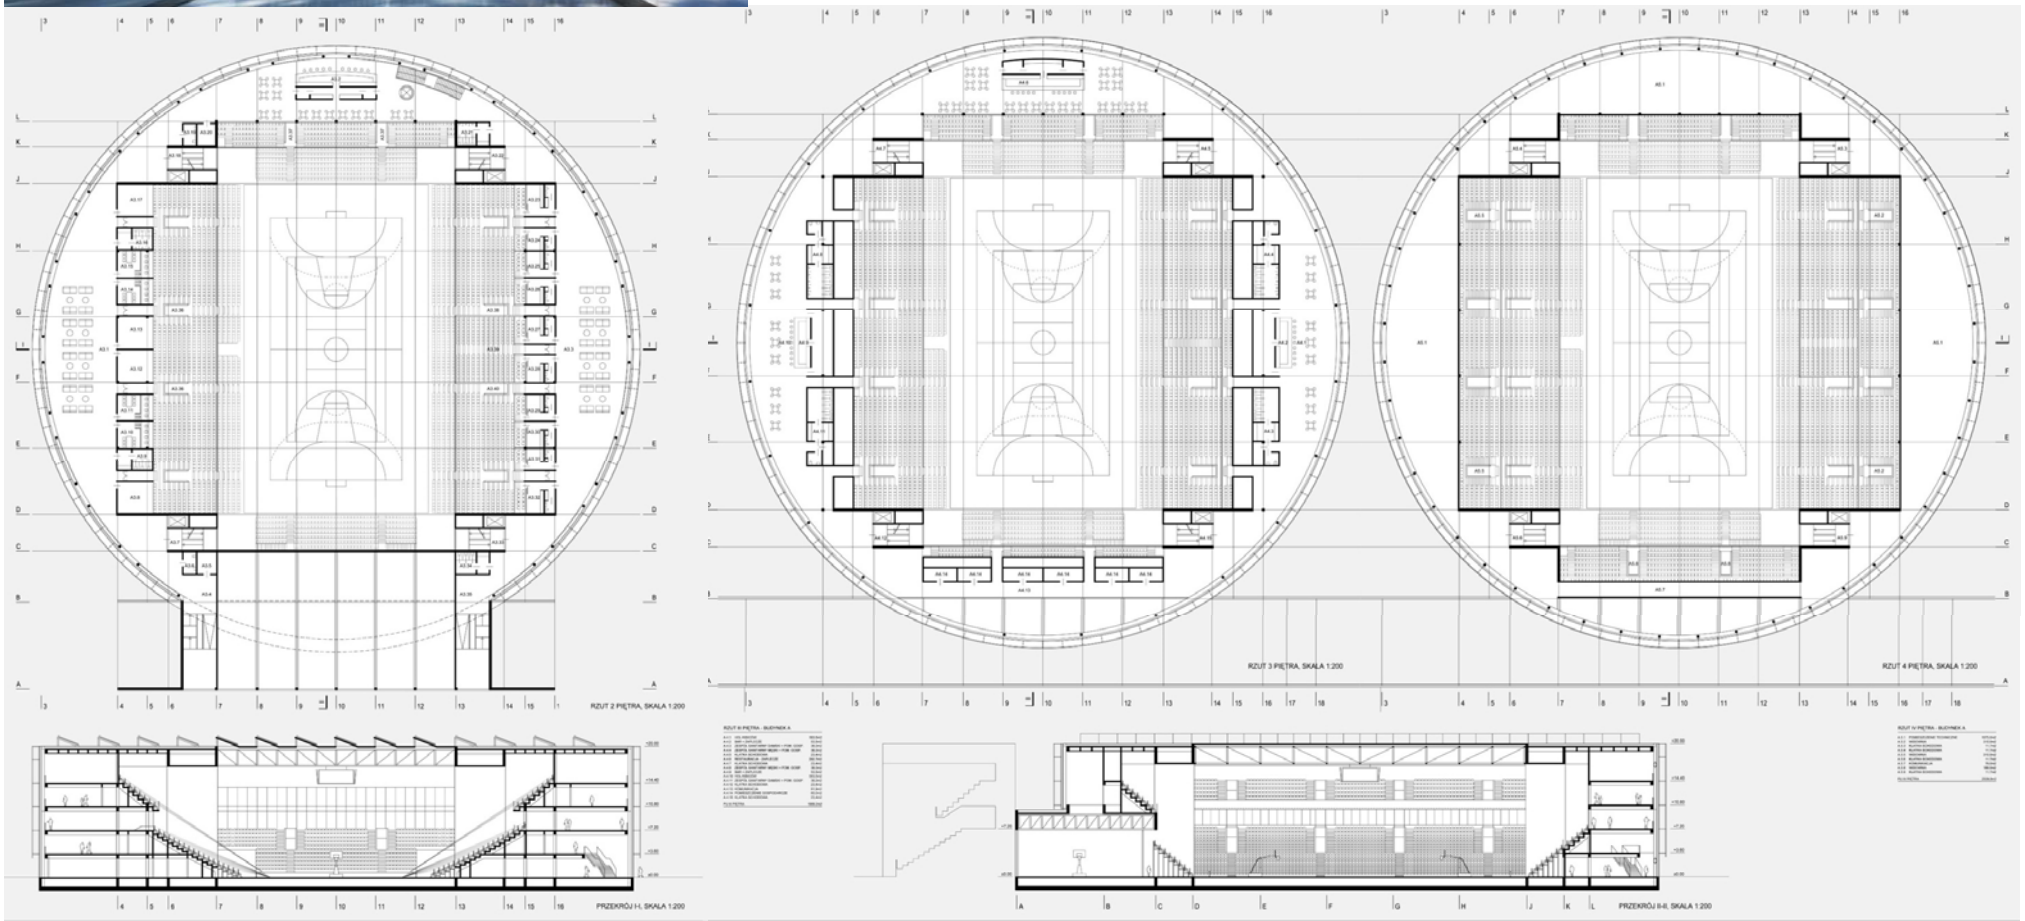


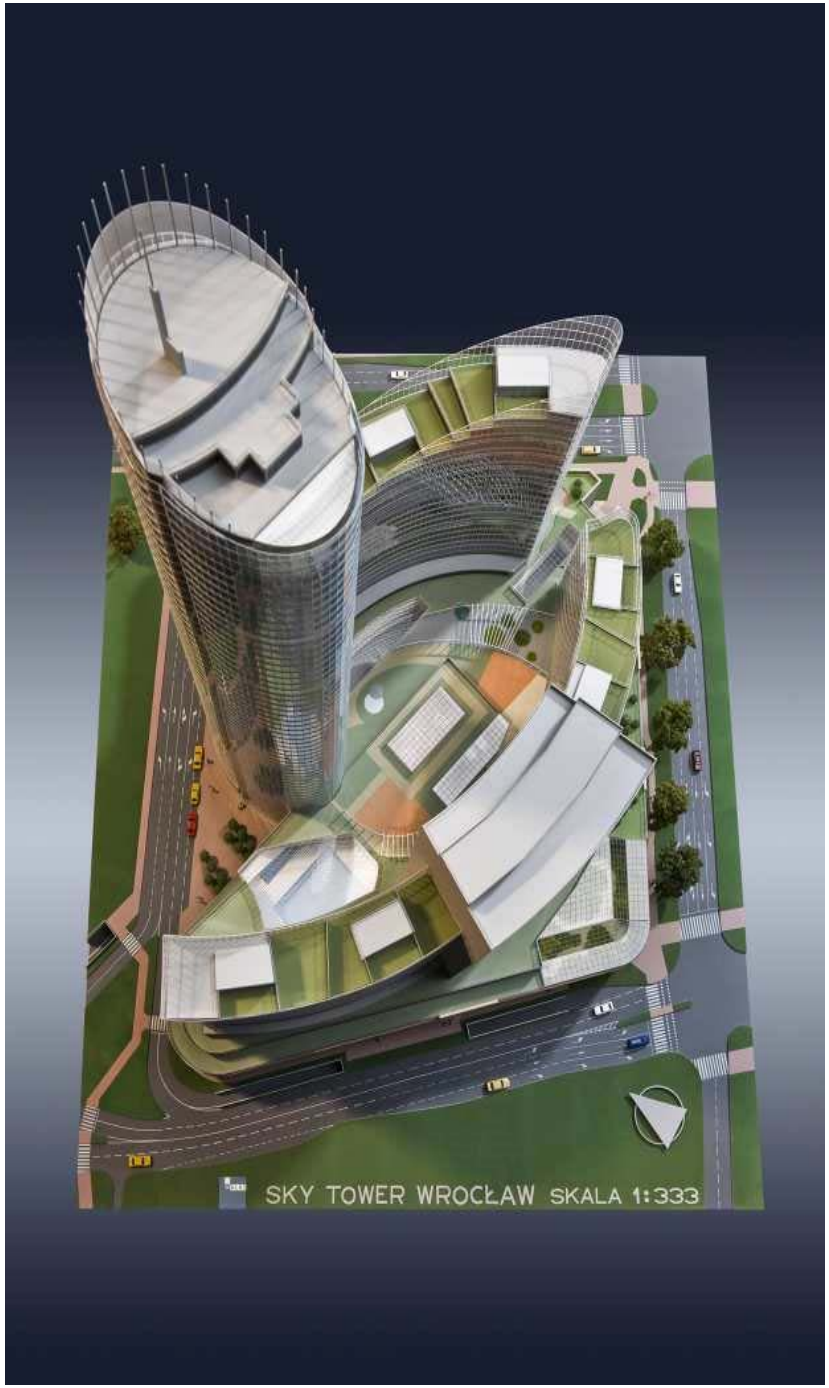
2012, Sport Hall

Location:	**Radom, Poland**
Size:	**18 000 m2**
Engineering service:	**complete engineering design and external infrastructure**
Scope:	**concept, building permit, execution design, BoQ, cost estimation, specifications of structure**
Architects:	**APA Czech Duliński Wróbel**
Client:	**MOSiR in Radom**
Status:	**completed**

2012, Sport Hall

Location:	**Radom, Poland**
Size:	**18 000 m2**
Engineering service:	**complete engineering design and external infrastructure**
Scope:	**concept, building permit, execution design, BoQ, cost estimation, specifications of structure**
Architects:	**APA Czech Duliński Wróbel**
Client:	**MOSiR in Radom**
Status:	**completed**





2012 – Sky Tower – due diligence report

Location:	**Wrocław, Poland**
Engineering services:	**due diligence of MEP and BMS execution design**
Scope:	**Comparison tender and execution design - audit**
Client:	**Sky Tower**
